Tracks of Citizens Closing

Materials:

None

Cubmaster:

Being loyal and being a good citizen go hand in hand. As we try to be a good citizen and neighbor, we are loyal and courageous.

Robert Baden-Powell knew that —No one can pass through life, any more than he can pass through a bit of country, without leaving tracks behind, and those tracks may often be helpful to those coming after him in finding their way. Let's each make sure that OUR tracks lead other in the right pathway – towards being a good citizen and helping our neighbors and friends!

Good Citizens Freeze Tag

Materials:

None

This game is played very much like “freeze tag”.

One Cub Scout (or more Cub Scouts – depending on how many are playing) is “it”. This person goes around trying to tag a person and cause them to “freeze” (hold still).

Unlike “freeze tag,” running away from “it” is not the only way to stop from being frozen. If “it” tries to touch someone, all the person needs to do is to say the name of a famous American as well as something that they did very quickly and they can stop from being frozen. They could also give the name of someone they think is a good citizen (that isn’t a famous American) and quickly tell why that person is a good citizen. The same person’s name can’t be used twice by the same person. If a person can’t think of a famous American or good citizen in 10 seconds, they could be tagged and be frozen. To “unfreeze” someone, a non-frozen person just needs to run by and tag the frozen person as they run by.

Game play continues until time for the game is over or everyone has been frozen.

Here are just a few names of some famous Americans with one thing they are famous for as suggestions:

George Washington – first U.S. President

Thomas Jefferson – one of our founding fathers

Abraham Lincoln – U.S. President during the Civil War

Benjamin Franklin – a writer and printer

Martin Luther King – a civil rights leader

Thomas Edison – inventor of the light bulb

George Washington Carver – scientist best known for finding many uses for the peanut

Helen Keller – deaf and blind author and lecturer

Amelia Earhart – first female pilot to fly the Atlantic

Neil Armstrong – first man to step on the moon
